

OFRC has conducted a written exam on 10-09-2017 for recruitment of Industrial Employees (Group C) in different Ordnance Factories. It has been noted with concern that there are various rumours being spread in Electronic, Print Media and on Social Networking sites by some unscrupulous elements. You are requested to visit our website regularly for authentic information and don't fall prey to the mischievous and baseless rumours.

In this regard the following information is given:

1. Candidates are advised not to fall prey to any unscrupulous elements. The selection will be made purely only on merit.
2. The candidates having the requisite qualification as per the recruitment advertisement will only be allowed to appear in the Practical / Trade test after document verification. No person will be allowed to appear for Practical / Trade test who does not have NAC/NTC certificate, in relevant trade as per the advertisement.
3. All the Central Government recruitment rules, as applicable, shall be followed.
4. An OMR sheet bearing Roll No.495100749 has appeared on the Social Media. The matter is being looked into and appropriate action shall be taken as per the advertisement including criminal action. Apparently the picture of OMR had been taken at the end of the exam by the candidate with mischievous intent. The OMR sheet has very few correct answers and thus does not have any potential to be misused in any other way.
