Press Release

Shri P K Shrivastava appointed as DGOF and Chairman of Ordnance Factory Board

Shri P K Shrivastava, IOFS, has taken over as the new Director General of Ordnance Factories (DGOF) and Chairman of the Ordnance Factory Board (OFB) with effect from 1st July, 2018. Previously, he was Additional DGOF and Member at OFB and was in charge of Armoured Vehicles, headquartered in Avadi, Chennai.

Shri Shrivastava has a Masters degree in Mechanical Engineering. He joined Indian Ordnance Factories' Service in 1982. In a career spanning 36 years, he has contributed significantly in various capacities in Ammunition Factory Khadki, Vehicle Factory Jabalpur, Ordnance Factory Varangaon, Ordnance Factory Khamaria, Armoured Vehicles headquarters and at OFB headquarters as the Member of the Personnel division.

During his career in the Ordnance Factories' organization, he has gathered rich and varied experience in production and quality management, vehicles (light, heavy and armoured), weapons and ammunition manufacturing. He was the General Manager of Ordnance Factory Varangaon and has very ably led Ordnance Factory Khamaria as the Senior General Manager. He has also authored a book on 'Total Quality Management'.

Shri Shrivastava is well known for his calm demeanour and his ability to tackle issues with equanimity. He is a people's manager and is focused on results. He lays stress on 'quality' and timely delivery of the products.

With OFB placing greater focus on 'Research & Development' and to manufacture new products through collaboration with public and private players, Shri Shrivastava is ready to steer the ship to its destination by negotiating the rough weather that may arise in the course of the voyage to new horizons.
